AECUSA-LLC's policy is payment in advance. Payment can be made by check (call for address, we travel frequently) or by PayPal at www.paypal.com or a wire transfer. Email address for PayPal payment is payment@faader.us.

There is a three-percent (3 %) charge for using PayPal, please add this in when making payment by PayPal, and a \$25 wire transfer fee.

For smaller projects (small repairs, antenna installations, etc.) AECUSA-LLC's prices are as follows:

	8110-3 Only	8110-3 & Drawing or Report	8110-3 & Drawing & Report	8110-3 & DTA Report
Non-AOG	\$500	\$875	\$1,250	\$2,250
Non-AOG PAYPAL	\$515	\$901	\$1,288	\$2,318
AOG	\$750	\$1,313	\$1,875	\$3,375
AOG PAYPAL	\$774	\$1,354	\$1,935	\$3,483

GPS type Antenna installations are a flat \$550 per antenna with a one (1) day turnaround for Part 23 aircraft. Part 25 requires a DTA for skin penetrations.

AOG makes your project Priority #1. Non-AOG takes a week or more.
